

Dear Reb Levi

We would like to thank you very much for the beautiful silver becher that you gave Shmuel on the occasion of his Bar Mitzvah.

Shmuel has made tremendous progress since joining the Seerach Soel family and this is very much a credit to all the staff and the organisation as a whole.

They have given Shmuel so much love and attention that it has transformed him from a child with very difficult challenges to a calm, contented and happy child.

His Bar Mitzvah was a very special time for us and we were so happy to see him put on tefillin and have an aliya at the Kotel.

This is something that we only dreamt about only a short while ago and was only made possible with Hashem's help and through the constant efforts of Rebi Shechter and the staff at Seerach Soel.

We are proud to keep supporting Seerach Soel in any way that we can *in mitsva*.

May we keep sharing *mitzvot* together and merit to see the rebuilding of the *Beit HaMikdash*.
